Local business owners celebrate being nominated for the Orange Outstanding Business Awards 2020

Orange Business Chamber is pleased to announce the 424 local businesses who have been nominated by the general public for the 2020 Orange Outstanding Business Awards.

The Orange Outstanding Business Awards are the premier business event in the Orange region and are set to inspire a new generation of business leaders and entrepreneurs. The 2020 Orange Outstanding Business Awards will be proudly sponsored by Orange Ex-Services Club.

Across 21 categories, the business awards recognise excellence in business leadership, entrepreneurship, social enterprise, sustainability, innovation, export, business growth and employment practices.

The Awards celebrate businesses in Orange, Millthorpe and Blayney while publicly promoting and rewarding business excellence.

This year will include a **Finalist Night on Tuesday, 23rd June 2020** to announce the Finalists in each category followed by a "Roaring 20's" themed Gala Awards night to be held on **Saturday, 25th July 2020** where the category winners will be announced.

Over 400 people attended the 2019 Orange Outstanding Business Awards Gala Night held at the Orange Ex-Services Club.

"We had such an amazing event last year with tickets selling out 3 weeks prior to the event" said Ash Brown, President of Orange Business Chamber "it shows that our community values having a strong local business network".

Businesses nominated in the 2020 Orange Outstanding Business Awards will need to complete a submission for their industry category as well as the supplementary category, Employer of Choice if they wish.

Employees of Nominated businesses are also encouraged to enter the categories of Emerging Leader or Experienced Leader once their business has entered an industry category.

"We have some amazing employees in our local area who we'd love to see highlighted at the Awards along with their employers", said Mr Brown "we have changed out some of the categories this year to better suit our local area so there's something for everyone".

Nominated businesses are invited to submit an entry in to the 2020 Orange Outstanding Business Awards online at <https://orangebusinessawards.com.au/>. **Deadline to submit an entry is Wednesday, 8th April 2020.**

The following 424 businesses have been nominated:
